*14/05/18*

*Pardeep Josi Sir*

*I was only in room who was not tense and was motivating people to smile. someone was reading news paper i was enjoying free tea and biscuits. And best part*

*is this i have not prepared for interview just listened Ravi and other awesome guys answer in telegram group. Thats all but confidence was full. Bas phodna*

*hai aaj to.*

*But when my turn came i was little bit stressed. But anyhow i entered room.*

*I saw lady first wish her and then chairman. CM asked me to sit.*

*Now i was confident. Ok lets start*

*1. CM : So your name is Pankaj*

*ME: haan ji sir*

*2. CM : you are from CHURU*

*ME: haan ji sir*

*3. You completed schooling from norangpura*

*ME: Yes sir that is my native village*

*4. CM : Then you completed engineering from Army institute of Technology*

*ME : yes sir*

*5. CM: Then you worked 3 year in dassault system and then till October in Siemens*

## **CAPF AC 2017-18 Interview Transcript**

*Me : Excuse me sir I want to make correction am still working in Siemens*

6. *CM : OK good good.. Then Pankaj Tell why you want to join CAPF. You are already earning more than i lakh per month*

*ME: explained family history. My fater is kargil hero and how much i enthusiastic about forces and bla bla .. CM was very impressed*

7. *CM : It seems you really like forces tell me 3 person who are alive and got paramvir chakara*

*Me : Yogendra yadav sir, Banna singh sir, Sanjay Singh sir.. explained their story also. (I did not see other persons till now it seems like they were uninterested)*

8. *CM : tell me your preferences order*

*Me :told (I just saw that today morning itself in DAF)*

9. *CM : Give border movie question . Your solider wife is in last stage of cancer and he is asking leave but there is already resources problem what you*

*will do*

*Me : Sir i will verify first. Because i could not blindly believe if her medical certificate are genuine i will talk with my seniors and will ask one back*

*up and will approve her leave as humanity should be prime and also he is my collage and other should be along with in hard time we will somehow manage but*

*her wife can't manage with out him.*

## **CAPF AC 2017-18 Interview Transcript**

10 CM: (Ahh software engineer and in suit ruko abhi bataabta hun .. yeee found one word i used farming in my hobby) Pankaj ye batayie ki anaj(Wheat) main

har saal inflation 10% hota hai but vegetables main 300% asea kyon ?

ME : told short self life of vegetable and long self life of wheat and give some emotional touch ke mere gahr par bhi asea hi hota hai. Then cold storage

problem , supply chain problem. due to green revolution farmers more concentrate on rice and wheat. so over production of them apart from that awareness

problem

11. CM 3-4 more cross question on farming he seems satisfied with my answers.

M1 : make background about rape cases and asked me is capital punishment is solution

Mw: sir this is one of solution but i think this is not enough as if some one is doing rape with 3 month girl he is medically sick person and there will

no effect of capital punishment on him and in India according one news paper report 90% time family members are involved.

M1: Ok so what are other solution :

## **CAPF AC 2017-18 Interview Transcript**

*Me : sir i think there should be sex education subject from 6-7 class. Because when i was child i was also trying to find answer of natural question which*

*are very genuine and this is very normal but in our society we understand that as a sin so he searches on net and may be can go in wrong direction. Sex*

*education will give child awareness about what is good touch what is bad touch.*

*How is other person is wrong if he is doing something with you as a child we*

*can't understand that things*

*and sir mujhe lagta hai ki samaj ke girte hue mulya(values) bhi 1 reason hai. Aaj se 20 saal pahle jinko paap mana jata tha vo aaj news paper ki 1 story*

*hai bas apne liye.. Jab tak family apne bacho ko values nahi skihayenge ..capital punishment bhi kuch nahi kar sakta.*

*Iske alva sir ish mudde pe khulkar school and society main discussions nd awareness ki jarurat hai*

*MI: you know about nirbhya case*

*ME: (Kon nahi janta ush inshaanyat ko khatam kar*

*ne vale darni*

*n*

*do or mashoom ladki ko) Yes sir*

## **CAPF AC 2017-18 Interview Transcript**

*M1 : what was that*

*Me : told story*

*M1: what were people demand*

*ME: sir public hanging*

*M1: why ?*

*ME: sir that time max saja sirf umar kaid(life imprisonment) thi. To kannon bhi unka kuch nahi kar sakta tha*

*M1 : ok so what happened*

*Me : sir one committee was formed(later realized yaar naam kya tha uska and shocked)*

*M1: name of committee*

*ME: sorry sir yaad nahi aa raha ... justic verma shyad,, sorry sir*

*M1: ok what were recommendation of that*

*Me : sorry sir unable to recall but capital punishment was introduced in rare of rarest case in rape or nabalig ka age 16 kar diya gya.*

*M1 : Ok am finished (me yaar kya ho raha hai ye capf ka interview hai or tv ka debate ..farming ab rape .. force ka bhi kuch puch lo)*

*M2 (Lady)*

*Pankaj i will ask in English you can give answer in Hindi*

*Me : Ok*

*M2 : you used value kya hota hai ye*

## **CAPF AC 2017-18 Interview Transcript**

*Me : (Am shocked yaar ye ho kya raha hai mere sath aaj) mam religious books, society, tradition or mahapursho se drived chize jinse ham kisi ghatana(incident) or vastu(things) ko sahi or galat ka darja dete hai vo value hota hai.. ye kafhi generic term hai ho sakta hai jo india main shai mana jaye vo us main galat ho sakta hai*

*M2 : any real life example*

*Me : (Chalo yaar capf ka interview dene aaya hun to kuch topic divert karte hain) told Yogendra yadav sir story how they put his country before him and how*

*they informed reinforcement about Pakistan plan so he put his country first then his unit and then he himself.. this came from tradition of army that your*

*country and your unit is first .. so yahana valor ka mapne ka 1 vale hai..*

*M2 : Ohh so you are saying desh sabse pahle*

*Me : yes mam .. country is always first*

*M2: you write dairy writing is hobby ,, one english word is use for that you know ?*

*Me : (mam normal English to dhang se aati nahi ye khan se pata hoga) sorry mam*

*M2 : it's ok.. ok tell about how diary helped you in your development*

*Me : mam when i was in 10th then some problem came then how i thought how i react i wrote down .. same in college ...and same in my work life .. so this*

## **CAPF AC 2017-18 Interview Transcript**

*give me a chance to analysis how my reaction were improved with time and how i became a man from a boy.. and also give me chance to analysis how can i*

*improve and one belief that this is just a problem which will passed with time..so diary is my whole life summary to become a man*

*M2 : ( seems satisfied) you anna frank*

*Me : yes mam .. her diary is very famous .. i read that in college time .. then told small brief history about second world war situation and her reaction*

*M3 (abhi tak ubashi maar rahe the .. when CM asked banda to pahle se tayar tha)*

*Pankaj aap gaavn main rahe ho aapki farming hobby hai kya kya ugate ho*

*ME :(yaar 4 or hobby likhi hai.. 2 game likhe hai ,.. itne award likhe*

*hain..software engg hun kuch to yaar or kuch puch lo bas farming) Yes sir*

*mansson main bajara moong gawar ..shardi main wheat sarsho methi chana ..*

*garmiyon mian onion tomato watermellon ..*

*M3 (ahh gawar) ok ye gawar ka price kya hai*

*Me : sir aroung 7k per 100kg*

*M3 : iska price kab bada tha*

*Me : sir 2010*

*M3 : kitna*

*Me sir 20k (i was wrong it was 30 k) sorry sir it was 30k*

## CAPF AC 2017-18 Interview Transcript

Me : sir US main kafhi import bada tha ..

M3 : kyon

Me : sir i don't know exact how it used but shell gas nikalne mian use hota hai..  
water resident type

M3 : ok other use of gawar

Me: (yaar main software engineer hun koi farming expert thode hun.. asea lag  
raha hai kisaan tv chanell ka interveiw chal raha hai.. ) sir powder ..  
pashuo(animals) ki khad and biscuit banane main ..thanks to my 10th class visit in  
one gawar factory tab dekha tha yaad aa gya

M3 : Ok ye bataye ye anaj(farming) ke karan kafhi pollution ho raha hai kya ye  
sach hai

Me: yes sir I had tak..due to green revolution khaad ka use kafhi bad gya hai to  
ushe soil pollution and water pollution bada hai

M3 : koi illaz ?

Me : (yaar ruk ja bhai ab kitna farming puchoge) sir organinc farming ka badava  
dena chiye

Me: do you know cow farming

Me : yes sir this is mixed farming .. jahan kheti ke sath pasuo specially cow ko  
palna chiye and uske product ko khaad ke rup(form) mian use karna chiye

**CAPF AC 2017-18 Interview Transcript**

Me: sir because cricket is full of uncertainties and in 2015 my dad got retired from IAF and being the elder son I got the responsibility of my family.

Are you earning now ?

Me: no sir

Then how are you a responsible son ? Even you would have spent your money on coaching and all ?

Me: sir I didn't take any coaching for any exam and secondly I'm preparing in a way that there are certainties that I will get the desirable job !

Was your father ever enrolled somewhere ?

Me:

no sir he got retired in 52 years and ex serviceman benefits are there upto 5 years .

Do you have any siblings ?

Me: yes sir

What is he doing ?

Me: sir he is in final year of BA history .

When giving you a situation , suppose your subordinate is not following your order and having his own plan for operation and he comes to you , what will you do ?

Me: sir firstly I will ask for his plan because if it's logical because there are possibilities that there would be some flaws in my plan and we will make a collective plan !

What if his plan is illogical he just wants not to follow your order , then your course of action ?

Me: sir I will scold him as I am his company commander and it's his duty to obey my orders and if still he is reluctant to obey I will take strict actions against him!

Suppose if that subordinate now scolded me ?

Me: Scolded brutally

Airforce base in Jodhpur , aircrafts etc ?
